Isabel Rei Samartim's latest single, "Fado - Luís Eugénio Santos Sequeiros," : Brilliant Rendition of Classical Fado Music

Isabel Rei Samartim's latest single, "Fado – Luís Eugénio Santos Sequeiros," is a stunning classical instrumental piece that captures the rich heritage of the traditional Portuguese music genre originating in Lisbon in the 19th century. Samartim's rendition showcases the Galician guitarist's impeccable skills and mastery of the classical guitar with a mesmerizing melody that weaves in and out of the notes. Samartim flawlessly brings to life the spirit of the song and invokes feelings of nostalgia and melancholy, much like the Fado itself that transports the listener to a bygone era where fado music reigned supreme.

As a renowned artist, Samartim has made significant contributions to the field of music, with a Ph.D. in Art History and a book on the History of the guitar in Galicia to her credit. This exceptional release showed her deep understanding as a teacher and passion for her craft. It helped shape the future of technically complex and emotionally resonant classical guitar music, making her a respected figure in the industry.
